# 3RD CRISM ATLANTIC SYMPOSIUM

Welcome to the 3rd CRISM Atlantic Symposium **Informing Research and Intervention in Substance Use**. Being able to host the Symposium in a different Atlantic Province each year has allowed the CRISM Quebec Atlantic (CRISM QA) Node to actively engage original members while also growing and reaching out to new communities and introducing new members.

**The 3rd CRISM Atlantic Symposium begins Tuesday, November 5th in the evening (6 PM) with a reception and two speaker sessions and Wednesday, November 6th is a full day (9 AM-3 PM).** The program over the 1.5 days includes an update from the CRISM nodes across Canada, a presentation from the CIHR Initiative Management team, a session on the PEI Perspective, relevant topics on problematic substance use intervention, a peer presentation, networking and poster sessions, 5-Minute Thesis presentations and more.

*Pjila'si • Welcome • Bienvenue*

## A 'paper-light' symposium

We are trying to keep our paper use at the minimum. Please note that the presentations will not be printed and we invite you to download the symposium program to your phone.

A box for name-tags and lanyards recycling will be circulated at the end of the symposium.
